5th Grade Summer Reading Guidelines

Independent Reading Activities

Incoming fifth graders are expected to read the following books over summer vacation. All the books listed can be accessed on MyON through the student portal. After reading each book, students should complete the MyON test. Summer Assignments will be graded.

REQUIRED SUMMER READING PROGRAM: Students will read a total of 3 books. It is suggested that they choose from the following books or on the MDCPS Summer Reading program website:
<http://read.dadeschools.net>

- “Ona Judge Outwits the Washingtons: An Enslaved Women Fights for Freedom”
- “Medusa’s Stony Stare”
- “The 1918 Flu Pandemic”
- “After the Challenger: A Story of the Space Shuttle Disaster”
- “Zeke Mekks vs. The Stinkin’ Science Fair”
- “Getting to the Bottom of Global Warming: An Isabel Soto Investigation”

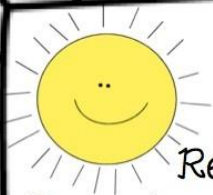

eLEARNING TOOLBOX:

FREE ONLINE applications available through the student portal

1. Go to www.dadeschools.net
2. Click on the student portal, click on the Apps tab

ESOL Level 1 students will continue to have access to the Imagine Learning computer website program. You can find the site through the student portal at www.dadeschools.net or on Clever.com

Summer Math Practice is recommended in the following websites: IXL Learning and Reflex Math
