On the back of this page, read the **welcome letter** to 7th grade students and parents.

Welcome to 7th grade students and their parents

Hello, the 7th grade team would like to tell you and your parents that we are very excited to be your teachers next school year. We will be having a lot of fun learning experiences in 7th grade. Next school year is sure to be busy as we explore and grow together academically and as individuals.

We also want to tell you that this 7th grade team is ready to give you the best education that you deserve and for that purpose, you can be sure that we are already thinking about how best we can teach you with appealing strategies, resources and technology tools.

With this team, you are going to feel a passion for teaching and nurturing students.

We know you need a break, but don't forget to enjoy a good book, a magazine or newspaper article about any topic of interest. It's important to keep your mind active and not to lose your wonderful skills over the summer. As your summer assignments, you should do the **SUMMER READING/MATH/SCIENCE and CIVICS PACKETS** and turn them in during the first two weeks of classes. This is going to be your first grade.

We sincerely hope and wholeheartedly wish to see you all back here in August. Our doors are open.

Warm greetings,
7th Grade Team
