Steps to Achieve School Wellness/Healthy School Team Goal:	<p>Nutrition: The cafeteria manager collaborates with Ms. Gari to inform students about healthy lunch options on morning announcements every day. Free breakfast and lunch are promoted on social media and messages sent home to parents via school messenger. Cafeteria personnel decorates the cafeteria quarterly to reflect a different theme that promotes healthy eating habits</p> <p>Physical Education: Physical education is scheduled in grades 2nd - 5th grade. Students in grades 6-8 are scheduled into a PE elective unless they have a PE waiver on file. Students in PRE-K -5 participate in a scheduled recess time daily. PE teachers organize/lead schoolwide physical activities such as: Field Day, Walk to School Day, Fitness program etc.</p>

	<p>Physical Activity: Teachers are encouraged to participate in the Wellness Club every Wednesday led by Mrs. Leonardo, teachers participate in 1 hour cardio activity after-school. Activities consist of aerobics, running, and walking.</p> <p>Health and Nutrition Literacy: Students are exposed to health and nutrition instruction during Science and Physical Education. The primary grades will be working on a vegetable garden in April.</p> <p>Preventive Healthcare: -Throughout the year, different activities are scheduled and promoted to raise awareness on staying safe and healthy -October - Cancer Awareness month - wear pink on designated days -Vaccine opportunities are provided to students on campus -The Monthly Mindfulness Newsletter is shared with all stakeholders on our school website -Parent Workshops on mindfulness and mental health are provided</p>
